RESIDENTS at a homeless charity had the chance of a lifetime to hold the UEFA Champions League Trophy today when it made a top secret visit.

The prestigious cup was at residential charity Anchor House in Canning Town on Wednesday as part of a special tour of London.

Homeless resident and captain of the Anchor House Warriors football team, Richard Luiki, said: "It is such an honour for us to be able to have the chance to see it.

"When I became homeless and arrived at Anchor House, I thought it was the worst thing that could have happened to me, but now it looks like all my wishes are coming true."
